NEIGHBORHOOD SECURITY ~ There have been several incidences that happened in our community! Unlocked cars were broken into and items stolen. If you must leave your vehicle outside your garage, lock it! That goes for Arbors garage parking as well. Most recently, there was a car towed from a ditch alongside the pathway to the WWTP Pump Station. The car was on private property and should not have been there. It was not reported to the Sheriff. If you hear or see anything out of the ordinary, please contact the Sheriff's office. This is for your safety and everyone in our community. Be a watchdog!!
